

I Used To Think...But Now I Think

A “Making Thinking Visible” routine for reflecting on how and why our thinking has changed.

- 1. Think about the word “failure” and what it means to you.**

In your journal, write your thoughts using the sentence stem:

I used to think...

- 2. Watch the video.**

In your journal, write your thoughts using the sentence stem:

But now I think...

Thinking moves: reflect on thinking about the word, or topic, and explore how and why your thinking changes; consolidate new learning and identify new understandings, opinions, and beliefs; develop reasoning abilities; and recognize cause and effect relationships.

How could you use this thinking routine in your classroom?
